ADDRESS BY THE HON. MALCOLM E. BARNEY

MARCH 25, 1946

Members of the City Council and Friends:

My remarks tonight will not take a great deal of our time, but I shall try and bring you a brief resumé of the past year.

The ending of the war was in itself the event of this year, affecting everyone of us more than any other happening possibly could. This event was celebrated properly and the people of Laconia will long remember the parade—one of the largest in Laconia's history.

Our industries are all on full time work schedules. Therefore, there is no unemployment problem and wages are high.

We have had several fund drives this past year and the people of Laconia have oversubscribed to every one of these drives. The hospital drive was probably the greatest indication of public spirit ever shown here.

We are entering the greatest construction period this city has ever seen and may well be the greatest it will see for many years to come. In a recent survey made by Ralph Smith, local chairman of C.E.D., and my office we found a contemplated building program totaling nearly \$2,500,000.00 all to be started by July 1, 1947.

In a very recent meeting or so-called Public Hearing, the citizens of Laconia apparently gave the mayor and council orders to proceed with plans to make sewers available to nearly all residents of the city and to provide for sewage treatment, therefore, starting the cleaning of on of Laconia's finest lakes.

We also have plans being drawn for an off-street parking area, the widening of Union Avenue, and the improvement of The Weirs waterfront.

We also have a memorial committee working on the problem of a proper memorial for our veterans.

I would like to inform you that Scott & Williams, Inc., through the Mayor's Office have made about 300 photostatic copies of discharge papers for returning veterans free of charge.

All city departments have been very co-operative this year and we certainly appreciate this to the fullest.

We can be proud of our financial showing this year. We paid \$31,750.00 on the serial debt, bringing our total net debt down to \$85,500.00, the lowest in Laconia's history. We started our year with cash on hand of \$52,509.89 and finished the year with \$100,998.05. We started our year with a credit balance of \$19,661.64 and finished the year with \$37,332.50. This sum would have been much larger had we not transferred over \$9,000.00 to highways and bridges—carried nearly \$10,000.00 as an unexpended balance and allotted \$10,000.00 to the revenue account.

We have made some very much needed improvements in city hall. Although a new city hall is very desirable we believe first things come first and we have more important projects which must be completed before the construction of a new city hall is undertaken. We have made our present city offices more presentable and believe the city business can be conducted here until such time as the taxpayers of Laconia feel we should have a new building.

Now, I believe in closing it is proper that we stand a moment in silence in memory of two former councilmen: Oscar St. Jacques and Edmond Fitzgerald and also our former city physician, Dr. Lester R. Brown. We will now be seated and proceed with the regular order of business.

CITY GOVERNMENT

LACONIA, N. H.

Inaugurated fourth Tuesday of March, biennially. Stated meetings: The last Monday of each month at 7:30 P.M., at City Council Room, 68 Pleasant Street.

CITY COUNCIL

MAYOR

RESOLUTIONS

In the Year of our Lord one thousand nine hundred and forty-six

A Resolution authorizing the various departments of the City Government to function until their budgets for the fiscal year are approved.

Resolved by the City Council of the City of Laconia, as follows:

That all departments of the Laconia City Government be and hereby are authorized to carry on their usual functions until the budget of each department for the fiscal year is passed and approved by the present City Council.

Passed and approved February 25, 1946.

MALCOLM E. BARNEY, Mayor.

In the Year of our Lord one thousand nine hundred and forty-six

A Resolution authorizing temporary loans to an amount not exceeding Two Hundred Fifty Thousand Dollars in anticipation of the taxes of the present Municipal year.

Resolved by the City Council of the City of Laconia, as follows:

That for the purpose of meeting current expenses of the City, the City Treasurer be and hereby is authorized and empowered to make temporary loans from time to time for the use of said City of sums not exceeding the aggregate amount of \$250,000.00, said loans being in the anticipation of the taxes of the present Municipal year and hereby expressly made payable therefrom, and to give for such loans subject to the written approval of the Committee on Finance, notes of the City, each note to become due and payable within one year from its date. Said Notes shall be signed by the Mayor and

City Treasurer and countersigned by the City Clerk, shall be registered in the books kept for that purpose in the offices of the City Treasurer and City Clerk respectively.

This resolution shall take effect upon its passage.

Passed and approved April 29, 1946.

MALCOLM E. BARNEY, Mayor.

In the Year of our Lord one thousand nine hundred and forty-six

A Resolution relative to the gift of the B-17 bomber to the City of Laconia

Resolved by the City Council of the City of Laconia, as follows:

That the City Clerk be instructed to convey the thanks and appreciation of the City to Ralph Thompson, President of Scott & Williams, for his gift of the B-17 bomber to the City, by sending to him a copy of this resolution.

Passed and approved April 29, 1946.

MALCOLM E. BARNEY, Mayor.

In the Year of our Lord one thousand nine hundred and forty-six.

A Resolution Adopting the Employees Retirement System of the State of New Hampshire

Resolved by the City Council of the City of Laconia, as follows:

That the City of Laconia will elect to approve of the inclusion of its officers and employees in the Employees Retirement System of the State of New Hampshire, which system is pro-

vided for by Chapter 27-A of the Revised Laws, as inserted by Chapter 183 of the Laws of 1945 and as provided by Chapter 201 of the Laws of 1945 and any subsequent amendments thereto.

Passed and approved June 28, 1946.

MALCOLM E. BARNEY, Mayor.

In the Year of our Lord one thousand nine hundred and forty-six

A Resolution Relative to the Weirs Fire of July 19th-20th, 1946

Resolved by the City Council of the City of Laconia, as follows:

That the sincere thanks and appreciation of the City of Laconia be conveyed to those persons and government agencies who so willingly cooperated in bringing until control and extinguishing the fire at The Weirs on July 19-20th, 1946, thereby preventing much more serious damage.

Be it further resolved that the City Clerk be instructed to send a copy of this resolution to the local and state headquarters of the New Hampshire State Guard, to the Franklin Fire Department, to the Belmont and Winnisquam Fire Department, to the Sanbornton Fire Department, to the Meredith Fire Department, to the Tilton Fire Department, to the Laconia, Lakeport and the Weirs Fire Departments, to the Laconia Street Department, to the Laconia Police Department, to the New Hampshire State Police, to the Laconia Chapter of the American Red Cross, and to such other persons and agencies as are known to have participated therein; and that the City Clerk be further instructed to have this resolution published in the local newspaper and spread upon the records of the City.

Passed and approved July 22, 1946.

MALCOLM E. BARNEY, Mayor.

In the Year of our Lord one thousand nine hundred and forty-six

A Resolution making appropriations for the year ending February 15, 1947.

MALCOLM E. BARNEY, Mayor.

In the Year of our Lord one thousand nine hundred and forty-six

A Resolution authorizing the Issue of Bonds for Permanent Improvements and Departmental Equipment.

Resolved by the City Council of the City of Laconia, as follows:

That bonds of the City of Laconia are hereby authorized to be issued, to be signed by the Mayor and countersigned by the City Treasurer, and to have the seal of the city affixed thereto, for a sum not exceeding sixty thousand dollars (\$60,000.00), for the purpose of constructing highways, sidewalks, surface drains, sanitary sewers, and other public improvements of a permanent nature, and for the purpose of purchasing departmental equipment of a lasting character as shall be determined upon by the City Council to be needed; such bonds shall be serial bonds extending for a period of ten years from the date of their issue, and shall be made payable to bearer with interest coupons attached, bearing interest at a rate not to exceed 2% per annum and an equal amount of said bonds shall be taken up annually from the date of their issue.

That said bonds shall be payable in accordance with the laws of the State of New Hampshire, and the place of payment and the rate of interest, shall be determined by the Mayor and Council.

That the City Clerk be instructed to ask for bids for the purchase of said bonds, such bids to be submitted to the Mayor and Council for action.

Passed and approved August 26, 1946.

MALCOLM E. BARNEY, Mayor.

In the Year of our Lord one thousand nine hundred and forty-six.

A Resolution raising money by taxation for the year ending February 15, 1947.

Resolved by the City Council of Laconia, as follows:

That there shall be raised and there is ordered to be raised on the polls and estate liable to be taxed within said City the sum of six hundred fifteen thousand nine hundred seventeen and forty-four hundredths (\$615,917.44) dollars to defray the necessary expenses and charges of the City for the financial year ending February 15, 1947.

Passed and approved September 9, 1946.

MALCOLM E. BARNEY, Mayor.

In the Year of our Lord one thousand nine hundred and forty-six

A Resolution allocating proceeds from bond issue.

Resolved by the City Council of the City of Laconia, as follows:

That the sum of \$60,000.00 from the recent bond issue be set aside by the City Treasurer in a separate account which account shall allocate the following sums to the following purposes, that such sums shall be used only for such purposes, and none other, and that said sums shall be expended only upon the approval of the City Engineer given in accordance with this resolution.

MALCOLM E. BARNEY, Mayor.

In the Year of our Lord one thousand nine hundred and forty-six

A Resolution relative to the Death of William F. Knight

Resolved by the City Council of the City of Laconia, as follows:

WHEREAS the Mayor and Council learned with great sorrow of the recent death of William F. Knight; and

WHEREAS General Knight served the people of Laconia and of the State of New Hampshire faithfully and well in his many public positions, having served as Mayor of Laconia, State Senator, Belknap County Treasurer, Member of the New Hampshire Legislature, Trustee of the Laconia Public Library, and Member of the Governor's staff; and

WHEREAS General Knight carried on a dry goods business in Laconia for over forty years and served as President of the Laconia National Bank for over twenty years, doing so with the same integrity and executive ability that characterized his public life; and

WHEREAS General Knight was at the time of his death at ninety-nine years of age, one of the most beloved and respected citizens of the city of Laconia; and

WHEREAS General Knight was one of the principal founders and ardent supporters of the Laconia Hospital.

BE IT RESOLVED, that we express our deep sympathy to his survivors by sending them a copy of this resolution, and that this resolution be engrossed upon the City Records as a lasting tribute to William F. Knight.

Passed and approved November 15, 1946

MALCOLM E. BARNEY, Mayor.

In the Year of our Lord one thousand nine hundred and forty-seven

A Resolution relative to the proposed sewerage-disposal project.

Resolved by the City Council of Laconia, as follows:

WHEREAS recent expressions of public opinion indicate general endorsement of the proposal for the installation of a sewerage disposal plant; and

WHEREAS the firm of Metcalf & Eddy were employed as engineers with funds loaned by the United States Government, and have submitted plans and specifications for the constuction of said sewerage disposal plant.

BE IT RESOLVED that the Mayor and City Council hereby declare themselves in favor of proceeding with the project at the earliest possible moment; and

BE IT FURTHER RESOLVED, that the Mayor and City Council immediately proceed to study and investigate the most practical and efficient method of construction, supervision, financing, and letting contracts for said project with a view to undertaking said project as soon as such study and investigation will permit.

Passed and approved this 28th day of January, 1947.

MALCOLM E. BARNEY, Mayor.

ORDINANCES

In the Year of our Lord one thousand nine hundred and forty-six

An Ordinance in amendment of Chapter 25 of the Compiled Ordinances of 1941 entitled "Building Limits and Regulations."

Be it ordained by the City Council of the City of Laconia, as follows:

Section 1. Amend Chapter 25 of the Compiled Ordinances of 1941, entitled "Building Limits and Regulations," by adding after Section 2 the following new section: Section 2.A The petition required by the preceding section shall not be submitted to said city council until the same has been marked either "approved" or "not approved" by the Chief of the Laconia Fire Department and such marking by him signed.

Section 2. This ordinance shall take effect on its passage.

Passed and approved, April 29, 1946.

MALCOLM E. BARNEY, Mayor

In the Year of our Lord one thousand nine hundred and forty-six

An Ordinance in amendment of Chapter 25 of the Compiled Ordinances of 1941 entitled "Building Limits and Regulations".

Be it ordained by the City Council of the City of Laconia, as follows:

Section 1. Amend Chapter 25 of the Compiled Ordinances of 1941, entitled "Building Limits and Regulations", by adding after Section 2 the following new section: Section 2.A The petition required by the preceding section shall not be submitted to said city council until the

same has been marked either "approved" or "not approved" by the Chief of the Laconia Fire Department and such marking by him signed "or in his absence, or by reason of his incapacity, by the person acting in his place."

Section 2. This ordinance shall take effect on its passage.

Passed and approved, May 27, 1946.

MALCOLM E. BARNEY, Mayor

In the Year of our Lord one thousand nine hundred and forty-six

An Ordinance repealing Article VI of Chapter 42 of the Compiled Ordinances of 1941

Be it ordained by the City Council of the City of Laconia, as follows:

Section 1. Article VI of Chapter 42 of the Compiled Ordinances of 1941, entitled "Taxi Stand" is hereby repealed.

Section 2. This ordinance shall take effect on its passage.

Passed and approved, June 24, 1946.

MALCOLM E. BARNEY, Mayor

In the Year of our Lord one thousand nine hundred and forty-six

An Ordinance relative to the Salaries of Certain City officials.

Be it ordained by the City Council of the City of Laconia, as follows:

Section 1. Amend Section 1 of Chapter 18 of the Compiled Ordinances of 1941 as amended by an ordinance passed July 31, 1944 by striking out the word "eight" and substituting therefor the word "nine", so that said section as amended shall read as follows: "Section 1. The city treasurer shall receive in full for his services the sum of nine hundred dollars per annum, payable in equal quarterly payments."

Section 2. Amend section 4 of Chapter 10 of the Compiled Ordinances of 1941, as amended by an ordinance passed July 13, 1942, by striking out the word "seven" and substituting therefor the words "one thousand", so that said section as amended shall read as follows: "Section 4. The city solicitor shall receive in full for his services the sum of one thousand dollars per annum, payable in equal quarterly payments. He shall also receive his reasonable travelling expenses when his attendance is required out of the city."

Section 3. Amend Chapter 19 of the Compiled Ordinances of 1941, as amended by an ordinance passed July 13, 1942, by striking out the whole thereof and substituting therefor the following new chapter:

"Chapter 19

Board of Assessors

Section 1. The Board of Assessors shall be paid in full for the services of its members the sum of thirty-one hundred dollars per annum, payable semi-annually. The chairman of said Board of Assessors shall receive eleven hundred dollars per annum, and each of the other two members shall receive one thousand dollars per annum. The services of the members of said Board of Assessors shall include the assessment of taxes, and taking the enrollment."

Section 4. Amend section 6 of Chapter 6 of the Compiled Ordinances of 1941 by striking out the whole thereof and inserting therefor the following new section. "Sect. 6. The collector of taxes shall receive in full for his services in the collection of taxes each year the sum of two thousand dollars, which shall be paid in equal monthly payments."

Section 5. Amend section 3 of Chapter 5 of the Compiled Ordinances of 1941 by striking out the word "five" and inserting in place thereof the word "six", so that said section as amended shall read: "Sect. 3. The auditor shall receive as compensation or salary for his services the sum of six hundred dollars per year, payable in equal quarterly payments."

Section 6. Amend section 2 of Chapter 13 of the Compiled Ordinances of 1941 by striking out the word "fifteen" and substituting in place thereof the word "eighteen", so that said section as amended shall read as follows: "Sec. 2. The overseer of the poor shall perform the same duties and be subject to the same liabilities as are now or may from time to time be prescribed for and incumbent on overseers of poor of towns, and perform such other duties as the city council may prescribe. He shall receive as compensation or salary for his services the sum of eighteen hundred dollars per year, which shall be paid in equal monthly payments."

Section 7. Amend section 2 of Chapter 16 of the Compiled Ordinances of 1941 by striking out the word "four" and substituting therefore the word "six" so that said section as amended shall read, "Sect. 2. The clerk of the municipal court shall receive in full for his services the sum of six hundred dollars payable in equal quarterly payments."

Section 8. Amend section 5 of chapter 22 of the Compiled Ordinances of 1941 as amended by an ordinance passed July 31, 1944 by striking out the whole thereof and substituting therefor the following new section. "Sect. 5. The chief engineer of the fire department shall receive in full for his services the sum of twenty-seven hundred and twenty-five dollars per annum, payable weekly. The salaries of the first, second, third and fourth assistant engineers shall be two hundred and seventy-five dollars each per annum, payable quarterly."

Section 9. Amend section 7 of Chapter 20 of the Compiled Ordinances of 1941 by striking out the whole thereof and substituting therefor the following new section: "Sect. 7. The sealer of weights and measures shall receive as compensation for salary for his services the sum of six hundred dollars per year, payable in equal quarterly installments."

Section 10. This ordinance shall take effect as of March 26, 1946.

Passed and approved, November 15, 1946.

MALCOLM E. BARNEY, Mayor

LACONIA HOSPITAL ASSOCIATION

February 10, 1947.

To the Honorable Mayor and Members of the City Council:

Although 1946 was a difficult year for all hospitals the Laconia Hospital had a successful record and continued to merit the approval of the American College of Surgeons.

Three thousand six hundred twenty-three in-patients were admitted in 1946 for a total of 36,586 days' service which was an increase over 1945 of 249 patients and 2,051 days' service. The number of out-patients increased from 3,368 to 6,286. Corresponding increases in all departments made more acute the crowded conditions.

Building of the new nurses' home and addition to the hospital is progressing in a satisfactory manner and it is the hope of the trustees that a year from today many of our problems due to lack of room will be taken care of.

With increased costs our larger hospital will be more expensive to operate and we will need more than ever the continued assistance of the City of Laconia, the towns served by our hospital and the organizations and individuals who in the past have been so generous. We also welcome gifts for our trust fund or for special purposes.

ARTHUR D. O'SHEA,
President Laconia Hospital Association.

BOARD OF HEALTH

To the Honorable Mayor and Council of the City of Laconia:

As City Physician I make the following report for the period from March 1, 1946, to February 15, 1947:

During that period twenty-four persons were examined for the Laconia Police Department for driving under the influence of liquor and four persons were given medical care over a varying period of time, two of whom are still under treatment. The needs of the Welfare Department have been cared for.

Respectfully submitted,

EDWARD S. MORRIS,
City Physician.

JULIA PERIARD, R. N.

SANITARY INSPECTION

Sanitary Inspection was commenced October 1, 1946 in the City of Laconia, The Weirs and Lakeport.

This inspection covers proper sterilization of all eating utensils, proper refrigeration of all perishable food materials and correct methods of caring for food. The garbage disposal seems to be one of the major problems confronted by us at this time. Toilet facilities are checked, general cleanliness, as to grills, floors, cellars, storage space, etc.

Complaints filed from many districts of the town were investigated and the situations remedied.

Many places in the town were found to be very lax in sanitation but upon being rechecked were found to have accomplished the necessary recommendations given under many handicaps that now presents itself, such as labor, materials, etc.

To date (73) seventy-three establishments have been inspected.

Respectfully submitted,

C. F. MOWERS,
Sanitary Inspector.

MILK INSPECTION

Milk inspection was carried out by me from October 1, 1947 to date. After the laboratory was completed 164 samples of milk were tested to find and correct different sources of contamination. It seemed that sterilization of equipment and bottles had not been carried on very efficiently. After inspection of the dairies, this point was stressed as one of the most important procedures. Several dairies and producer-dairies had very poor methods of bottling, milking and cooling of milk. Hand capping was a predominant factor in a great many cases. In many instances these faults were neglect, in others the lack of knowledge or lack of inspection, whereby they did not know the contamination was present in their products. The majority of the Milk Dealers were cooperative and tried to improve the quality of their milk and from their efforts and coaching made a remarkable improvement. In fact, some bacteria counts were brought from 1,000,000 to 16,000 in a week's time.

Complete analysis of milk has been run on every dealer supplying milk to Laconia. At the present time the milk being delivered to Laconia meets with the requirements of the City Ordinance.

Streptococcus organisms have been traced to their source in several instances. These organisms are found by the microscopical examination of the milk. If such an organism is found it is immediately traced to its source by a process of elimination. A sample of milk is taken from each producer and examined microscopically to determine from which herd the infection is coming. When this is determined the herd is examined. Each cow has to be examined and from this examination the animal is found that is infectious and either eliminated from the herd or treated until she passes a clean test.

A remarkable improvement has been made in the milk supply, not only through the inspection methods but through the cooperation of the individual producers and distributors.

Respectfully submitted,

C. F. MOWERS,
Milk Inspector.

MEAT INSPECTION

Meat Inspection in the City of Laconia was started December 1, 1946. An inspection of each Slaughter House was made to qualify it under the rules of sanitation, proper handling and cooling facilities. Approval was given, for supplying Laconia, to the following Slaughter Houses: Mr. Russell Swain, of Winisquam, N. H.; Mr. Sylvio J. Morin, Gilford, N. H.; and Mr. A. J. Akerstrom, Belmont, N. H. Several alterations were made to comply with the City Ordinance before the inspection of meat products was made.

Inspection of all animals that were to be sold in Laconia was made. Ante mortem and post mortem inspections were performed. All inspections are carried on complying with the regulations established by the United States Government.

To date 128 animals have been inspected. Condemnations were made on 8 animals, partial condemnations on 12.

To date no violations have been reported. The regulation on this inspection is carried on in the strictest sense of the

Ordinance. Anyone found to be selling or offering for sale meat products locally slaughtered without an inspection will be immediately arrested and brought before the court.

Respectfully submitted,

C. F. MOWERS,
Meat Inspector.

FIRE DEPARTMENT

To the Honorable Mayor and City Council
Laconia, N.H.

During the year 1946, the Laconia Fire Department responded to forty (40) box alarms and one hundred and sixty-six telephone calls.

Much new equipment is needed—our present equipment has been in service for several years and naturally is worn out. It should be replaced in 1947. New fire hose should be purchased. I also think that two trucks should be replaced: one at the Central Station and one at the Lakeport Station.

The personnel of the Fire Department—Five companies comprised of ten men each—is complete.

The Fire Alarm system is in fair working order. Our Department buildings have been painted and repaired. Also—a new oil heating system has been installed at the Central Station.

Respectfully yours,

ARTHUR W. SPRING,
Chief, Laconia Fire Department.

TRUSTEES OF TRUST FUNDS

LIBRARY TRUSTEES

To the Honorable Mayor and Members of the City Council:

As authorized by the Board of Trustees, I am forwarding the report of the librarian, Mrs. Barbara B. Cotton, for the year ending February 15, 1947.

In June 1946, Mrs. Robert Lawson was appointed by the Mayor and Council to fill the vacancy on the Board caused by the resignation of Mrs. Dorothy C. Talbot.

The Trustees are only able to carry on the work of the Library and Gale Park through your good-will and co-operation, for which we are very appreciative.

Respectfully submitted,

HENRY T. TURNER

Chairman, Board of Trustees

LIBRARIAN

To the Board of Trustees of the Laconia Public Library:

I herewith submit my report as librarian of the Laconia Public Library for the year ending February 15, 1947.

Another year for the Laconia Public Library has just ended, and as we consider the past months we may be proud of the steady progress which has been made.

We are particularly grateful that a long desired improvement has been successfully completed at Goss Reading Room. The entire building has been redecorated, and new book bases built for the children's room, thus giving them a better opportunity of selecting their own books. An oil burning furnace recently installed, adds much to the comfort of all who use the building. The co-operation of the

City Council, the Trustees of Goss Reading Room, and the Trustees of the Laconia Public Library made possible this large undertaking. Much credit goes to Dr. E. P. Hodgdon, a Trustee of Goss Reading Room, who has given generously of his time and thought during these past weeks. The Goss Reading Room is now a library of exceptional beauty, and justifies the praise of all the citizens who visit it.

Now that an oil burner is successfully operating at Gale Memorial Library it is hoped that the much needed redecorating may soon follow, as well as more adequate lighting facilities.

Gale Park has been maintained as one of the beauty spots of the city, attracting both visitors and residents to enjoy the flower gardens and to use the shaded benches and tables. During the winter months the brightly illuminated fir trees add color to the winter scene.

The usual library policies have continued during the year. Story hours for the children were conducted at both libraries during July and August. Nearly two hundred children attended the special Christmas story program on December 19. One vacancy on the staff has been filled by a trained member of the profession. All staff members hold certificates issued by the Certification Board of New Hampshire Library Association. Your librarian has attended various regional, state, and New England Association meetings this year, and has given several book reviews for community groups.

A few interesting facts reveal the general trend of the literary tastes of the community. Circulation at the main library made a 5.78% increase over that of 1945. Adult reading has advanced in the realms of philosophy, religion, biography, the arts and sciences. Fewer books of history were read. 27,850 books of fiction were circulated, 2,000 more than the previous year. The juveniles have borrowed more books of travel and biography, and have read over 100 more books of fiction. At Goss Reading Room the interest of adults has changed from fiction to non-fiction, while the juveniles definitely prefer the story type of literature. The total Lakeport circulation has gained 1.7% since 1945.

As shown by the statistics below, the total circulation of both libraries for 1946 was 58,730. This averages approximately four and one half books per person for the entire city. The library has much to offer every citizen of Laconia, and in turn, the citizens by their patronage and encouragement will increase the value and importance of the library in the community. With this in mind, let us provide during 1947 MORE BOOKS FOR MORE PEOPLE.

Thank you for your sincere interest and splendid cooperation at all times!

Respectfully submitted

BARBARA B. COTTON,
Librarian.

BOARD OF PUBLIC WORKS

Laconia, N. H.

February 15, 1947

To the Honorable Mayor and City Council:

We herewith submit the forty-sixth annual report of the Board of Public Works, including detailed financial statement of receipts and expenditures of the City Engineering, Street and Sewer Divisions, during the past fiscal year.

We have appended herto, a copy of the City Engineer's Report to us, which contains detailed description and account of work carried on, together with his suggestions of proposed work and the needs of the departments as to new equipment.

The Board has approved the engineer's specific suggestions as to new drains and garbage disposal by incineration; also his requests for new equipment in the way of trucks and plows, and we ask your study of these matters, in the many that will appear for consideration this year.

The resurfacing, or treatment of macadam and heavily traveled gravel roads with a proper grade of bituminous material and suitable aggregate should be carried on so far as possible, or practical, to preserve the surfaces against the wear and tear of all year traffic.

Continued participation by the city with the state, in the improvement and maintenance of the Class Five roads, is urged as essential for the benefit of travel on our so-called, outlying roads within the city limits.

Late in the year certain authorized construction work had to be deferred until spring on account of seasonal conditions and difficulty in obtaining materials, but the routine maintenance work of the season was performed in a satisfactory manner.

The Board acknowledges efficient service of the City Engineer and his assistants and the foremen and men of the department for cooperation and loyalty through the year.

We would recommend the following schedule of routine maintenance and customary all-year services appropriation for the ensuing year:

General Repairs and Maintenance	\$31,000.00
Winter Expenses	38,000.00
Sanding Sidewalks	2,800.00
Collection of Ashes, Waste, and Dump Rentals	9,100.00
Sewer Maintenance	6,800.00
City Engineering	3,700.00
Cleaning Streets	8,900.00
City's Share T.R.A.	1,011.16
Cleaning Catch Basins	2,000.00
Street Resurfacing	14,000.00
Drain Repairs	1,800.00
Maintenance of Macadam	10,000.00
Insurance	1,000.00
Cutting Trees, Grass, Brush	2,400.00
Bridge Repairs	5,000.00
Purchase of Equipment	10,400.00
Recovering Sidewalks	4,000.00
Map Project	1,500.00
	<hr/>
	\$153,411.16

Respectfully submitted,

HARRY L. SMITH,

OSCAR L. HOYT,

WILLIS G. WATSON,
Board of Public Works.

REPORT OF THE STREET, SEWER AND ENGINEERING DEPARTMENT

To the Board of Public Works:

Gentlemen:

I present herewith the report of the Public Works Department for the fiscal year ending February 15, 1947.

SEWERS AND DRAINS

The continued scarcity of materials, principally vitrified clay pipe prevented us from accomplishing much in drain and sanitary sewer additions. Six inch sanitary sewers were laid on Washington Street, Sanborn Street and Massachusetts Avenue for a total length of four hundred feet. Pipe has been ordered for sewers on Clark and Cottonwood Avenues, Gilman and Brigham Streets, delivery of which is promised in April.

I would renew my former recommendations that the drains on Whipple Avenue, Pleasant, Harvard, and Dartmouth Streets be relaid with larger diameter pipes. The Gilford Avenue drain should be extended easterly about 500' from the present terminus at Sanborn Street and another section about 500' in length should be laid near the Laconia-Gilford town line to discharge into a city owned lot on the southerly side of Gilford Avenue. Drains are also needed on Gillette, Sanborn and Winter Street extensions.

COLLECTION OF ASHES AND REFUSE

The purchase of a 1½ ton Dodge truck on which is mounted a totally enclosed body has provided the department with a unit for collecting rubbish and ashes that is sanitary and economical in operation costs. The volume of refuse collected by the department is steadily increasing; at present about 60 to 90 tons are removed weekly to the city dumps.

Requests for collection service are frequently received from citizens living on some of our outlying roads which at present cannot be granted. In order to extend our routes and give more service on additional garbage collection unit and extra operators would be required.

I believe it well to consider the advisability of disposing of our refuse by incineration rather than by our present dump methods. The dumps, which are privately owned and leased by the city, are becoming filled and soon the city must procure other locations or modernize its method of disposing of garbage and refuse. Dumps, at their best, are unsanitary and unsightly, especially when located in compact areas.

PLUMBING

An indication of an increase in building in our community is evidenced by a marked rise in the number of plumbing permits issued during the past year. One hundred and eighty-five permits for plumbing additions were issued, three times the number issued in the previous years. The number of registered plumbers in Laconia as of Feb. 15 is twenty-nine.

SIDEWALKS

Sidewalks on Jackson and Fair Streets were graded and surfaced with plant-mixed asphalt. Twenty-three hundred and forty-five square yards of asphalt walks were recovered.

STREET RESURFACING

Approximately one-third of our gravel treated roads were resurfaced in 1946 with asphalt and sand. Twenty thousand gallons of asphalt mixed with pea stone and sand were applied to our macadam streets.

The White Oaks, Lane and Roller Coaster Roads were resurfaced with tar from funds in the T.R.A. account.

GENERAL

Appropriations were made for the construction of the following streets: Rowe Court, Shore Drive and Holman Street, North Street, Cottonwood and Clark Avenues. These projects were all started but cold weather prevented us from completing them.

I would again call attention to the fact that if appropriations for new work were made early in the season this department could plan its schedule better. Materials required in the construction of these projects could be ordered early so that the jobs could be undertaken in season to assure their completion during the fiscal year.

The department purchased two 1½ ton trucks and has ordered an Austin-Western power grader. Three other 1½-ton trucks should be replaced with new vehicles. A sidewalk tractor and plow, a belt loader, a three and one-half ton truck and three truck plows should be purchased, if funds are available.

At this time I wish to express my appreciation to the members of the Board of Public Works for their advice and assistance in all matters concerning the department and to the employees of the Public Works Department for their loyalty and cooperation during the past year.

Respectfully submitted,

ARNOLD J. O'MARA,
City Engineer, Supt. of Streets and Sewers.

POLICE DEPARTMENT

REPORT OF POLICE COMMISSIONERS

To the Honorable Mayor and City Council:

The Police Commissioners of the City of Laconia respectfully submit the report of the Laconia Police Department for the year ending February 15, 1947.

We again urge the careful reading of the report of the Chief of Police of the activities of the Department, which shows the work and service rendered by the officers of the Department. You will note that many of these services rendered are matters which ordinarily are not performed by the Police Department, and all our officers and personnel have always been anxious to help in any way possible.

There are fourteen (14) police officers in the Department, which means that full protection cannot be given unless the personnel is increased.

Some sections of the City have demanded additional protection which we have been unable to give in the past because additional officers would be needed.

The parking problem, as usual, has been a problem, and it is impossible to properly enforce the two-hour parking law and to properly supervise the traffic situation without additional personnel. It might be interesting to note that a survey of the various police departments in other cities and localities indicates that in order to have a properly manned police department, there should be one officer for each one thousand persons in the community. Since the population of Laconia has materially increased, and the personnel of our department has not been increased, you can readily see that it is impossible to do the work efficiently without having additional permanent police officers in the department.

The police car with its radio equipment has been able to render efficient work at night, and many citizens have urged that another car should be obtained for daytime duty, which would greatly increase the efficiency of the department, and would add greatly to the protection needed to respond quickly to emergencies, which is so essential for the protection of the property of the citizens of Laconia.

F. E. NORMANDIN,
Chairman

C. J. PITMAN
DR. C. E. ROWE

ANNUAL POLICE REPORT

YEAR ENDING JANUARY 31, 1947

GEORGE N. HUBBARD,
Chief of Police

CLERK OF MUNICIPAL COURT

To the Honorable Mayor and City Council:

Gentlemen:

I herewith submit my annual report as Clerk of the Municipal Court of Laconia.

The criminal cases brought before the Court and disposal of same are shown in detail by the report of the Chief of Police.

The cash receipts of the Court and the disposition of same summarize as follows:

RECEIPTS

Received from fines and costs	\$7,811.57
Writs, warrants and entry fees	28.65
Entry fees, Small Claim Court	22.23
Parking violations at \$1 each	501.00
	<hr/>
	\$8,363.45

PAID AS FOLLOWS

Offices and witness fees	\$ 243.57
Postage	3.93
Clarence S. Newell, treasurer	8,115.95
	<hr/>
	\$8,363.45

Respectfully submitted,

EARL FLANDERS,
Clerk.

OVERSEER OF POOR

To the Honorable Mayor and Council of the City of Laconia:

Gentlemen:

In submitting this my first report to you for the year ending Feb. 15, 1947, I wish to express to Mrs. Bucklin and to all the members of the City Hall staff, my grateful appreciation for their assistance to me in assuming a new and unfamiliar responsibility.

The amount appropriated for direct relief was \$9,000.00. This has been disbursed as follows:

For Assistance to Families	\$ 714.02
For Assistance to Single Persons	425.20
For Assistance to Veterans and Families	597.92
For Board and Care of Adults	1,997.89
For Board and Care of Children	1,428.91
For Burial	63.75
	<hr/>
	\$5,227.69

Salary and expenses have amounted to \$1,889.90.

Leaving a balance from the appropriation of \$1,882.41.

During the year refunds to the amount of \$858.02 have been received, which added to the balance above makes \$2,740.43 available for transfer to excess and deficiency account.

The Aged and Infirm recipients of Old Age Assistance for which the City of Laconia was responsible have received a total of \$78,801.87, of which the City pays one-fourth. The amount of the appropriation was \$20,000.00. Amount expended was \$19,700.37, leaving a balance from the appropriation of \$299.63.

Recoveries to the amount of \$263.12 have been received, making \$562.85 available as of Feb. 15, 1947.

Respectfully submitted,

FRANK R. RICKER,
Overseer of Poor

PARK COMMISSION

To the Honorable Mayor and City Council:

As Secretary to the Laconia Park Commission I submit the following report for the year ending Feb. 15, 1947.

Meetings of the Park Commission were held throughout the year. Mr. Richard Shelley, chairman of the board, Until his withdrawal in November, was succeeded by Dr. Robinson Smith. Serving on the Commission with them were Mayor Malcolm Barney, Dr. Clarence Rowe, Mr. Charles Lord and Mrs. Hugh Hescok.

Attendance at Laconia parks was at a high level, and the 12 month period saw a varied and most successful succession of all season activities.

The June 24 to August 17 formal summer season was considerably extended by a strong and successful Laconia baseball team, by the High Schools use of the Opechee running track, tennis courts, etc.

Junior Legion Baseball and Hockey were played at Pearl Street grounds under the supervision of Mr. Charles Lord. Summer Season activities were well supervised by Jessie Dutrizac, Nancy Head and Franklin Smith at Opechee; Charles Peterson and Theresa Perreault at Leavitt; Esma Ford at Wyatt. The Red Cross Life Saver at Opechee was Walter Boyson.

Ice skating was supervised by Wilfred Gilbert at Casino Square; John O'Connor at Pearl Street, Michael Roubo at Opechee, Harold Tefft at Leavitt and George Curley at Wyatt.

The Opechee Park Clubhouse extension was completed, including a well equipped kitchen and new heating equipment. Social events there have been well supported by the boys and girls of Laconia.

Opechee Park suffered a considerable loss when its half-century old grandstand and bath houses burned to the ground the last of July.

Your Park Commission has aimed to preserve intact Laconia's Public Parks, believing that a fast growing city will increasingly feel the need of them as population grows.

AMELIA G. HESCOCK,
Secretary, Park Commission.

SCHOOL DEPARTMENT

REPORT OF THE CHAIRMAN

To the Mayor and Council of the City of Laconia
and to the Tax Payers: —

Representing the School Board of your City as its Chairman I again take this opportunity to report that your Board is endeavoring to maintain the school system in the best possible manner. Money spent in the education of the children of this city is the most important investment we have, and of course the school appropriation is the largest item in the expense of the city. It is my wish that more of the tax payers would attend School Board meetings to learn first hand what a problem we have. In spite of the large amount of money spent each year only a small percentage of same is really at the hands of the Board. I want all those tax payers reading this School Report to examine the report of our Superintendent, Mr. Rhoden B. Eddy, and see the true picture. You will see that the cost of instruction alone is over 70% of the appropriation and that the administration is only a little over 3%. I am frank in stating that we need new and better equipment, better buildings and appliances, to educate your children and assure you that no money is spent unwisely. As this city grows in size there will be more children and school expenses will grow larger. This cannot be avoided and is to be expected.

Our Board member, Mrs. Lillian Page Dow of Lakeport, one of the most efficient members ever to be on the Board, was not able to continue her work, and her place has been taken by Mr. Kenneth D. Hopkins of Lakeport, who is a very capable business executive and who has the interests of the schools at heart.

The tax payers of this city are urged to communicate with the Board at all times with suggestions for the best interests of the school system.

Respectfully submitted,

THEO S. JEWETT,
Chairman.

ANNUAL REPORT OF THE

SUPERINTENDENT OF SCHOOLS

To the Members of the School Board and Citizens of Laconia:

This report is devoted almost exclusively to school finance in Laconia. Where public education is concerned there has been, the country over, a sharp increase in costs, due largely to more adequate teachers' salaries. It is interesting to note the results of this trend in our own community. Table I and Table II, below, give an overall picture of the situation.

TABLE I

	1943-1944	1944-1945	1945-1946	1946-1947
School Appropriation	\$170,945.00	\$181,866.00	\$188,800.00	\$222,612.00*
Teachers' Salary Item	120,087.00	129,198.00	146,330.00	185,502.00
Money Left For All Other Purposes After Teachers Salaries Are Paid	50,857.00	52,667.00	42,469.00	37,110.00
City's Valuation	15,795,051	15,893,158	16,115,106	18,989,278
City Tax Rate Per \$1,000	30.20	31.90	34.90	33.00
Amt. of Tax for Schools	10.82	11.44	11.99	11.72
	35.8%	35.8%	34.8%	35.5%
			Percent of Tax for Schools	

(*Includes the regular appropriation of \$214,462 and the salary bonus of \$8,150 voted in March, 1947).

The Table should be read as follows: For the school year 1943-1944, the sum of \$170,945 was appropriated for the operation of the schools. Of this total amount, \$120,087 was spent for teachers' salaries, and there was left \$50,857 for the other purposes in the operation of the schools.

The city had a valuation of \$15,795,051 in 1944 and the tax rate was \$30.20 per thousand dollars of valuation; the school appropriation amounted to \$10.82 in the total tax rate and was 35.8% of the total tax rate for the city that year.

This part of the information is presented by itself so that the reader may grasp the essential facts: (a) The effort Laconia has made to pay adequate salaries to secure excellent teachers for its young people. (b) The declining amount of money left for all other purposes where the money raised by taxation is concerned, despite sharply rising costs of all other services and goods. (c) The relatively stable position school appropriations have occupied (despite increased teachers' salaries and other costs) in relation to the increasing valuation of the city. (4). The relatively stable position of the costs of schools in relation to the tax rate, (although the percentage of the tax rate for the schools would actually have been 37.8% in 1946-1947 if the overdraft, noted in Table II, below, is thought of as increasing the appropriation to \$236,925).

The table following completes the overall picture of school costs over the four year period being described.

TABLE II

	1943-1944	1944-1945	1945-1946	1946-1947
Money Left For All Other Purposes After Teachers' Salaries	\$50,857.00	\$52,667.00	\$42,469.00	37,110.00
Receipts	21,092.00*	24,849.00*	13,519.00	23,837.00**
Total Amount For All				

Other Purposes After Paying Teachers' Sal.	71,950.00	77,516.00	55,989.00	60,947.00
Expenditures For All Other Purposes	67,377.00	77,516.00	61,199.00	75,260.00
Money Unspent, Returned to City	4,672.00			
Money Spent in Excess of Appropriation and Receipts			5,209.00	14,313.00

* In 1943-1944, 1944-1945 receipts were swelled by Federal reimbursements for maintaining Day Care Centers. Nominally receipts would have been between 10,000.00 and \$12,000.00.

** Receipts were swelled again by Federal and State reimbursements because of the Area Vocational School established in connection with Laconia High School. These benefits will continue as long as the Area Vocational School is maintained.

*** Plus the overdraft noted below.

The term receipts applies to that sum of money, at the disposal of the schools, which comes from tuition payments, dog tax, and all other sources, supplementing the appropriations made by the city.

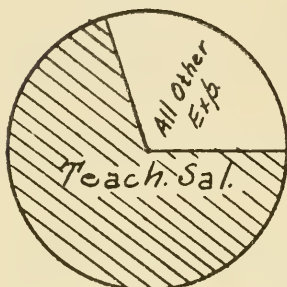

Table II is quite self-explanatory. If viewed in light of increasing costs, and increasing school population, and the urgent need to maintain and improve the school plant, it will be obvious that school funds are being spent carefully; if this were not so Laconia could not hope to see the improvements that have come about for the sums of money spent on the schools.

Laconia has been extremely forward looking in its teachers' salary policy. In this matter of expenditure there has been complete unanimity of attitude and action. Over the past four years, every Mayor (Smith, Barney, and Parmentier) and every single councilman who has held office, and every school board member, have favored a salary rate for teachers that would enable the superintendent to secure superior staff members. (And given this power, results show what has been the selection of teachers by the superintendent). Briefly, all Laconia has favored the selection of good teachers and the payment of adequate salaries.

It is due to this, almost entirely, that the school appropriation has increased. There has been a sharp decline in funds for all other purposes, however, and if it were not for the increasing revenue from receipts, either additional tax money would be necessary or the purchase of supplies, the repair and maintenance program, and the replacement of old equipment would have to be sharply curtailed or completely eliminated. The simple graph below explains the facts more clearly, perhaps, than do the figures in Table I and II.

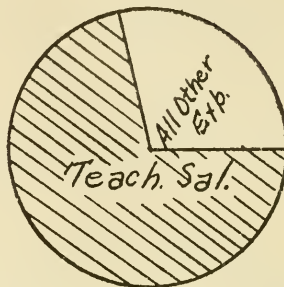

**Tax Effect of the Teachers' Salary Increases on Tax Revenue
Available for all Other School Purposes**

1943-1944

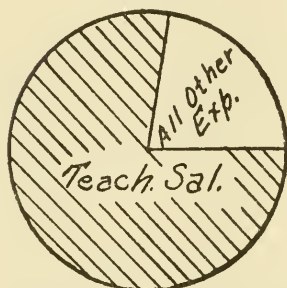

Approp.	\$170,945
Tea. Sal.	\$120,087
Bal.	\$ 50,857

1944-1945

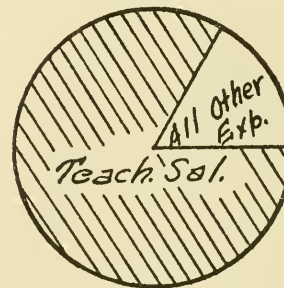

Approp.	\$181,866
Tea. Sal.	129,198
Bal.	\$ 52,667

1945-1946

Approp.	\$188,800
Tea. Sal.	146,330
Bal.	\$ 42,469

1946-1947

Approp.	\$222,612
Tea. Sal.	185,502
Bal.	\$ 37,110

At this point it is interesting to examine all school revenue. It has been shown that increasing teachers' salaries have had a tendency to cut into the tax income (that is, the appropriation) left for all other purposes. It is obvious that, important as adequate teachers' salaries are, money must be forthcoming from some other source to buy supplies and equipment, maintain and operate the school plant and provide all the other serv-

ices necessary to implement the instructional program of the schools. For the school year 1946-1947 the finances, given briefly in Tables I and II, were as follows:

Regular Appropriation	\$214,462.00	(Tax funds)
Teachers' Bonus Appropriation	8,150.00	(Tax funds)
All Receipts	23,837.52	
<hr/>		
Total Income	\$246,449.52	
Overdraft	14,313.06	(Tax funds)
<hr/>		
Total Available Funds	\$260,762.58	

The expenditures for the year were, roughly:

Teachers' Salaries	\$185,502.00
All Other Expenditures	75,260.58
<hr/>	
Total Expenditures*	\$260,762.58
*School Board funds	

The receipts for the year as estimated originally were:

High School Tuition—110 pupils at \$108	\$11,880
Dog Tax	\$2,000
School Lunch Program Reimbursement	1,200
Area Vocational School Reimbursements	15,735
Miscellaneous Receipts	1,889
<hr/>	
Total Estimated Receipts	\$32,704

The actual receipts for the year were:

High School Tuition	\$10,076.31	(\$1,400)
Elementary and JHS Tuition	616.25	
Dog Tax	1,533.43	
School Lunch Equip. Reimbursement	1,050.97	(\$1,050.97)
Area Vocational School	8,412.26	(\$8,412.26)
Miscellaneous Receipts	2,158.30	(\$800.00)
<hr/>		Overestimate
Actual Reimbursements for 1946-'47	\$23,837.52	\$8,866.48

The overestimate in receipts, which was unavoidable in view of all the factors involving advance estimates, particularly where the area vocational school was concerned, was partly responsible for expenditures in excess of all receipts. If the analysis of expenditures, which follows, is studied, a clear picture will be gained of just where school funds were spent.

Before the analysis of expenditures is presented, a few explanations regarding receipts will be of interest.

It has been pointed out that Laconia must look for an increase in its school receipts to help reduce school funds raised by taxation, or, lacking such receipts, Laconia must curtail its educational offering or increase funds raised by taxation. Receipts for the year 1946-1947 show that Laconia's school funds have benefitted to a considerable extent from sources outside the city. The sums in parentheses beside the list of receipts for the past year, above, are in addition to the receipts that would have come otherwise. They have been gained because of the School Lunch Program and the Area Vocational School; they amount to approximately \$11,664.

The growth in this "assisting" income promises to continue, and for the following reasons:

1. Increasing the tuition rate to near the state average tuition rate in high schools—a figure that will be nearer Laconia's actual per pupil cost in high school.

2. Increased attendance at the Area Vocational School.

3. State Aid to education.

In the year ahead Laconia may expect approximately \$54,000 from these sources.

1946—Expenditures of the School—1947

Department

Budget 'A' for the Operation of the Public Day Schools

I ADMINISTRATION

	Amt. Expended	Percent of Ttl. Expend.
1. Salaries of Dist. Officers	\$ 163.50

The preceding material indicates the procedure that may be used in studying, or in planning, the expenditures of a school year. While all the facts determining the need for each expenditure must be known in passing judgment on such an analysis, and while it is impractical to attempt such a recital of facts here, a general estimation may be made using the following bits of information for examples.

Is Laconia overstaffed as to number of teachers? No. The elementary school grades are ragged as to size because of the placement of buildings in relation to the school population, but

the average enrollment in each grade was 28 pupils. The high school and junior high school is slightly understaffed; teachers carry at least maximum loads where preparations and study hall duties are concerned.

How much was spent per pupil for supplies and books last year? Laconia spent an average of \$1.70 per pupil for textbooks, and \$5.08—or three cents a day—for supplies in 1946-1947.

Does Laconia employ too many janitors? The city is understaffed where janitors are concerned. Janitor salaries have been unusually low; \$32 a week was the full-time pay up to June 30, 1947.

Are the items for repairs, equipment, and building alterations necessary? This depends on the point-of-view of the persons studying the situation. It can be answered best by an individual survey, by the interested person, of the buildings, their equipment, the instructional program, and so on.

It is interesting to consider that only about 20% of all the money spent was available for purposes other than salaries; the amount is \$53,119.

It is quite likely that a person who studies these figures with the facts at hand will concede that, all things considered school funds have been spent carefully and efficiently.

Area Vocational School

The Area Vocational School has been referred to many times. Briefly, Laconia High School was designated by the State Department of Education as a school which might give types of vocational training to pupils in Laconia, and in a large area surrounding Laconia, with special financial assistance from the state and from the federal government. Six such schools were established in New Hampshire last year.

Any pupil in the area designated for each area vocational school is entitled to attend the area school, and the town in which he lives is reimbursed for the tuition that town pays to the area vocational school.

The community maintaining the area vocational school (in this case, Laconia) receives reimbursement for the teachers of area vocational school subjects, and also may buy equipment for which it is reimbursed in full. In some cases (agriculture and distributive education) the teacher salary reimbursement is three-quarters of the total salary paid; in other cases the reimbursement is one-half the total salary paid. The plan is educationally and financially attractive to Laconia.

Last year the offering in the area vocational school consisted of: Agriculture, Distributive Education (training for retail selling). Machine Shop, Foods Service Training. The same program will be carried out this coming year but Commercial Training will be added. A special effort is being made to call the advantages of the school to the attention of the citizens of all communities surrounding Laconia.

School Lunch Program

Laconia participates in the Federal School Lunch Program. While varying points-of-view regarding such a program (which had its inception during the depression of the 1930s) are held, the program does provide substantial assistance to the community in which it operates. Briefly that community receives nine cents a meal and two cents on each half-pint of milk that is sold in accordance with the standards the program establishes.

With the opening of the high school cafeteria in September, 1946, the schools entered the lunch business to a considerable extent, and there is no doubt that a large number of pupils, as well as Laconia itself, benefitted to a large degree. As the details of operating such a program become more familiar, the service of the program, as well as the high school cafeteria, will be especially valuable to the pupils and the community.

The statistics of the past year are informative.

RECEIPTS

Collections for meals	\$27,676.61
Federal reimbursements	7,880.41
Miscellaneous collections	419.66
Total Receipts	<hr/> \$35,976.08

EXPENDITURES

Paid for food	\$25,131.28
Paid for labor	7,688.94
Paid for utilities	1,894.32
	<hr/>
Total Expenditures	\$34,714.54

Receipts Exceed Expenditures . . . \$1,261.54 (Balance)

The above balance remains in the School Lunch fund to initiate the program for the coming year. Insofar as possible, without incurring a loss, we would prefer to see expenditures exactly equal receipts, with no balance; the School Lunch Program is not a money making enterprise, but a distinct service to the pupils and families of Laconia.

The program, it can be seen, did not cost the taxpayer anything, but the school board did equip the cafeteria and elementary school lunch rooms. Under any circumstances these facilities should be part of each school, and it is to be regretted that other elementary schools have no lunch room space, particularly Harvard St. School, which should serve hot lunches to pupils coming to school by bus.

A total of 81,572 meals were served during the last school year, and thousands of half-pints of milk.

Aside from the food reimbursement, Laconia received \$1,050.97 as a reimbursement for lunch room (high school cafeteria) equipment. The school board spent \$2,243.10 for such equipment. It was pointed out that lunch room equipment would not be reimbursable after the first year; we know now that this is to be the case.

STATISTICS

1946-1947

Grade	Average Attendance	Average Absence	Average Membership	Per Cent Attendance
Kindergarten	68.05	8.97	76.97	88.41%
Elementary (Grs. I-VI)	684.84	52.90	730.10	93.80%
Junior High Grades	248.84	14.05	262.89	94.66%
Senior High Grades*	614.93	30.74	645.67	95.24%

* Does not include post-graduates

Total number pupils enrolled in all grades: 988 Boys;
911 Girls; 1909 pupils.

Number of Days Schools were Actually in Session: 173
Number of Days Lost for Authorized Institutes: 6

Total Number School Days*: 179

* In Laconia, the practice has been established of carrying on school work right up through the last afternoon of school. Teachers prepare reports in the elementary grades after the schools have closed for the summer; at the high school, graduation activities follow school closing, and teachers prepare marks and other reports in the week following.

CONCLUSION

The superintendent feels a sincere loss in the retirement of Mrs. Lillian P. Dow from the Laconia School Board. At all times Mrs. Dow proved to be a personal as well as a professional friend and advisor. She had a sincere interest in the schools and in the school population. Her many years of service to Laconia as a member of its School Board entitle Mrs. Dow to the continuing gratitude and affection of all Laconia.

Service on the School Board is among the highest that an individual can give his community. No other service touches so many lives—the lives of boys and girls growing into manhood and womanhood. To be connected with the duties and responsibilities of the great American institution of public schools is not an office to assume lightly, particularly now when expanding school costs add special responsibility to the policies that determine the value of a school system to the young people of the community and to the community itself.

Respectfully submitted,

RHODEN B. EDDY,
Superintendent of Schools.

Respectfully submitted,

MRS. ROBINSON W. SMITH,
Treasurer.

MUNICIPAL REGULATIONS

for payment of bills against the city

All bills against the city must be approved by the persons authorizing the charge, and unless this is done, no action can be had upon the bill by the committee on accounts and claims, and no order will be given for its payments.

When bills are certified to as above, and left with the City Clerk not later than Thursday at 12 o'clock M., preceding the last Monday of each month, they will be audited by the committee on accounts and claims, and if approved by them and allowed by the Council, will be ready for payment on the following Wednesday, at the office of the City Treasurer.

Meetings of the committee on accounts and claims are held on Friday preceding the last Monday of each month at 7:30 p. m., at the City Clerk's Office.

CITY EXPENSES

For the Year Ending February 15, 1947

Being an itemized account made up from the books of City Clerk of the payments made by the City Treasurer on account of running expenses.

The arrangement of the details of expenditures which follow is intended to give such information as is desired by the public. Specific items of payments or receipts are open to public inspection at the City Clerk's Office at any time.

AUDITOR

To the Honorable Malcolm E. Barney, Mayor and the City Council of Laconia, N. H.

Gentlemen:

Having completed the audit of the financial accounts of the City of Laconia for the fiscal year ended February 15, 1947, I present the following statements showing the financial condition of the City as of that date.

Exhibit I Appropriations Account year ended February 15, 1947.

Exhibit II Excess and Deficiency Account.

Exhibit III Balance sheet as of February 15, 1947.

Exhibit IV Serial Debt as of February 15, 1947.

The following items appearing in the balance sheet are commented upon as follows:

Cash	\$116,218.67
-------------	---------------------

This cash balance was verified by the various bank statements with the records of the City Treasurer and compared with the ledger of the City Clerk; all receipts and expenditures of the City Treasurer were properly checked with the different Departments of the City; an audit of each monthly draft is made by the City Auditor as a final check upon all bills before payment is made by the City Treasurer. All Bonds, Notes and coupons paid are carefully checked with the records of the City Clerk.

Property Sold to City for Taxes	\$2,617.65
--	-------------------

This amount of un-redeemed taxes represents only those unpaid of the years 1944 and 1945 as all others have been cleared from the books during the past year.

Property Acquired by Tax Titles	\$306.54
--	-----------------

This amount represents the amount of tax held property which was taken over by the City during the year by tax deeds.

Accounts Receivable—Taxes	\$58,937.93
----------------------------------	--------------------

The Collector's records of unpaid taxes was examined by me as well as all taxes paid; all payments were checked with the records of the City Treasurer.

Warrants from the Board of Assessors to the City Tax Collector covering the commitment of all taxes were examined and all abatements were compared to see that they were approved by the Board of Assessors.

An extra large amount of unpaid taxes remain unpaid this year due to a considerable amount of controversy over property valuations.

State of New Hampshire Bonus Tax—1944	\$2,664.00
--	-------------------

This amount of uncollected Bonus Tax still remains on the books of the City as of February 15, 1947; the City has no value in this amount but has to carry it on the books until it is either collected or abated.

State of New Hampshire Bonus Tax—1945	\$2,955.00
--	-------------------

This amount of uncollected Bonus Tax remains on the books of the City as of February 15, 1947; the same applies to this amount as to the one above.

Balance Due from Martha E. Johnson	\$7,096.24
---	-------------------

A Court action in the name of the City of Laconia as plaintiff for the recovery of \$22,096.24 against Martha E. Johnson resulted in a judgment in favor of the City for the full amount; the Bonding Company paid the \$15,000.00 limit of the policy and the above amount remains unpaid and must be carried as an asset.

Highways and Bridges	\$61,907.51
-----------------------------	--------------------

This amount is being carried over as an unexpended balance to the credit of this department for the purchase of equipment and other projects allocated during the year.

Schools 1946-47	\$60,578.04
------------------------	--------------------

This amount is carried as an unexpended balance to the credit of the School Department owing to the fact that the School year ends June 30, 1947 and the fiscal year of the City on February 15, 1947.

History of Laconia	\$2,000.00
---------------------------	-------------------

This sum has been appropriated for the above named purpose and has not as yet been used.

Motor Vehicle—1947	\$2,624.17
---------------------------	-------------------

The above amount received from this source of revenue was checked and verified with the receipts of the City Treasurer and also with the permit cards.

Overlay for Abatements	\$135.30
-------------------------------	-----------------

Practically all of the money left in this account was transferred to the excess and deficiency account at the end of the year.

State of New Hampshire Bonus—1944	\$2,688.00
--	-------------------

State of New Hampshire Bonus—1945	\$2,955.00
--	-------------------

The sum of \$5,643.00 of State Bonus for the years 1944-45 remains uncollected as of February 15, 1947; as a result, it is necessary to carry this amount as an asset and also a liability as the City has no value in this account; the sum of \$24.00 was collected prior to the end of the fiscal year but not paid to the State of New Hampshire prior to that date so this also has to be carried as a liability as it remains in our cash balance.

Unexpended Appropriations **\$130,805.55**

Appropriations made during the year were verified with the records of the City Council; all expenditures were properly approved by Treasury Warrants; all transfers were approved by the Mayor and City Council; a detailed report of all appropriations may be found in Exhibit 1 of this report.

Wyatt Park Community House **\$3,500.00**

This appropriation for the above named purpose was made during the year but not expended.

Tennis Courts **\$2,820.00**

Another appropriation of the same as above.

Credit Balance **\$48,495.41**

The above amount represents the excess of current assets over current liabilities and is one of which the Mayor and City Council may feel proud.

SERIAL DEBT

The Serial Debt outstanding as of February 15, 1947 is detailed in Exhibit IV of this report and shows a net debt of \$116,750.00 which is an increase over the previous year due to a \$60,000.00 Bond Issue for public improvements. The Mayor and City Council should be commended for the good financial standing in which the City ends its fiscal year.

CEMETERY TRUST FUNDS

The following statement of Trust Funds was verified by examining all pass books of savings banks and securities held by the Trustees and by checking all expenditures with the savings bank books. All receipts and expenditures are properly recorded on their books.

STATEMENT OF TRUST FUNDS

Amount of Trust Funds on Hand February 15, 1946	\$68,001.77
Trust Funds received during year	2,550.00
Unexpended Interest on hand February 15, 1946	3,481.11
Interest Received during year	1,639.88

\$75,672.76

Amount of Interest Expended during year	\$ 1,566.06
Balance of Interest on hand February 15, 1947	3,554.93
Principal of Trust Funds on Hand—Savings Banks	70,451.77
Principal of Trust Funds on Hand—Water Co. Stock	100.00

\$75,672.76

EDGAR B. PRESCOTT, Chairman
CHARLES F. AYERS, Sec'y-Treas.
KENNETH D. HOPKINS

I wish at this time to express my appreciation for all courtesies extended me during the course of my examination by all the Departments; also to commend all Departments for their efforts to keep within their budgets during the past year.

Respectfully submitted,

DANA S. BEANE, Auditor

CERTIFICATE

I hereby certify that the accompanying balance sheet and the statement of Serial Debt reflect the financial condition of the City of Laconia as described by its books at the close of the fiscal year ended February 15, 1947. I further certify that I have audited the income and expense accounts of the City for the past year and have found them to be correct as detailed in my report submitted herewith.

DANA S. BEANE, Auditor

17	Oscar A. White Belmont	61	8	1		
26	Ellen W. Robinson Concord	82	1	18		
31	John M. Hall Franklin	78	7	2		

SUMMARY OF VITAL STATISTICS

Number of births	555
Number of marriages	352
Number of deaths	224
Number of deaths occurring at Belknap County Home	8
Number of bodies brought here for burial	65

By Chapter 106 N. H. Laws of 1917, the Clerks of Cities and Towns are required to send a copy of every child's birth certificate to its parents, and if said copy is not received within sixty days from date of child's birth, the parents should notify the City Clerk, in order the same may be placed on record.

Efforts have been made to make the records of vital statistics correct as possible. Should any error or omission be detected, the City Clerk will appreciate the kindness conferred by being informed of the same, that the records of the city be mad right.

EARL FLANDERS, City Clerk.
